**T**hey're creepy and they're kooky, mysterious, and spooky—and now they are the stars of a hilariously goulish musical! Storm clouds are gathering over the Addams family's mansion as Gomez faces every father's nightmare: his daughter, Wednesday, the ultimate princess of darkness, has fallen in love with a sweet, smart young man from a respectable family. And if that wasn't upsetting enough, Gomez must do something he's never done before— keep the secret from his beloved wife, Morticia. Everything will change for the whole family on the fateful night they host a dinner for Wednesday's "normal" boyfriend and his parents. One thing is certain: the Addams family will never be the same.

**R**odgers & Hammerstein's only musical written directly for the screen is now a Broadway musical! Set against the colorful backdrop of an American heartland tradition, *State Fair* travels with the Frake family as they leave behind the routine of the farm for three days of adventure at the annual Iowa State Fair. Mom and Pop have their hearts set on blue ribbons, while their children Margy and Wayne find romance and heartbreak on the midway. Set to the magical strains of an Academy Award-winning score and augmented by other titles from the Rodgers and Hammerstein songbook, *State Fair* is the kind of warm-hearted family entertainment only Rodgers & Hammerstein could deliver!

By Neil Simon

A love letter to his early career as a TV writer on Sid Caesar's *Your Show of Shows* alongside the likes of comedy legends Carl Reiner and Mel Brooks, Neil Simon's *Laughter on the 23rd Floor* follows the rollercoaster antics of a not-your-average 1950s writers' room, as they frantically attempt to please their larger-than-life boss. Frantically scrambling to top each other with hilarious gags while battling with studio executives who fear the show's humor is too sophisticated for Middle America, the writing and fighting of the team expose the social and political undercurrents of the 1950s.

Music, Book & Story by Steve Martin  
Music, Lyrics & Story by Edie Brickell

**I**nspired by a true story and featuring the Tony®-nominated score by Steve Martin and Edie Brickell, Broadway's *Bright Star* tells a sweeping tale of love and redemption set against the rich backdrop of the American South in the 1920s and '40s. When literary editor Alice Murphy meets a young soldier just home from World War II, he awakens her longing for the child she once lost. Haunted by their unique connection, Alice sets out on a journey to understand her past—and what she finds has the power to transform both of their lives. With beautiful bluegrass melodies and powerfully moving characters, *Bright Star* unfolds as a rich tapestry of deep emotion. An uplifting and nostalgic theatrical journey that holds you tightly in its grasp, *Bright Star* is as refreshingly genuine as it is daringly hopeful.
